Dear Friend,

Parental Notification is a new initiative slated for the November ballot.

Parental Notification will require a doctor to notify a parent of an under-18-year-old girl 48 hours prior to performing an abortion on her.

We need all the help you can give us to collect 807,615 valid signatures of registered voters by April 30 in order to qualify the Parental Notification Initiative for the ballot. Every signature counts. No effort is too small.

Please use the your petition sheets right away and collect ten signatures from family, friends and co-workers who are California registered voters.

It is extremely urgent that we receive your petition without delay, so please collect as many signatures as you can and bring them back to your church as soon as possible.

You can call toll-free (855) 263-2254 or email Info@CAParentalRights.org to request more petitions.

If you can help Parental Notification financially, please use the attached coupon and send your contribution of any amount. You may also contribute by logging onto CAParentalRights.org and make a secured donation.

Grateful for your help and support,
